

46 THE CALLS

LEEDS
LS2 7EY

STUDIO 6
1,011 SQ FT OFFICE SPACE

46 The Calls was originally a grain warehouse serviced by barges on the river. The building has been creatively converted to provide high quality design studios and office accommodation over four floors with exposed brickwork, hardwood flooring and original steel structural elements.

The Calls is an exceptional urban destination that has undergone a successful regeneration, offering a fusion of work, living and leisure facilities. With a thriving community of digital, media, tech, design, and construction experts already established, this area is at the forefront of innovation and creativity.

A bustling assortment of independent bars, restaurants and cafes brings life to the streets, creating a friendly business neighbourhood with a residential mix.

The calm and idyllic environment of Leeds waterfront is on the doorstep and the city centre's retail and leisure offers are just a few minutes walk away.
